

**Canal &
River Trust**

Making life better by water

CASE STUDY

**Canal & River Trust saved
over £201,000,**

in their first year working with
Fleet Service GB and implementing
FSGB Driver Management

Steve Mulvaney,
Fleet Manager
Canal & River Trust

“An outstanding partnership success. We reduced our annual fleet spend by 14%, when compared to the previous 12 months.”

“The partnership with Fleet Service GB is more than exceeding my expectations. Visibility of data and compliance across all our vehicles and drivers is setting a new standard.”

Sara Lovell, Senior Procurement Manager
Canal & River Trust
